SIXTY-FOURTH YEAR

NO. 48

GRAYLING, MICHIGAN, THURSDAY, NOVEMBER 22, 1951

The St. Lawrence Seaway Project keeps bobbing up in the news. Most everyone except those in Washington backs it. Now a U. S. M. engineering professor says the project is "sound, self-supporting and self-amortizing, and if the government can't give it over to private enterprise then good business judgement says government should proceed with it at once for the benefit of all concerned, including the government itself."

Dr. F. N. Menefee, professor of engineering mechanics, says the seaway would pay for itself in 50 years—plus bringing inland industry the benefit of lower transportation rates.

He contends that an average toll of 50 cents per ton on cargoes using the locks would maintain the locks and amortize their initial cost in 50 years or less. Industry would save \$5 a ton on its shipping.

Development of the project would direct shipping from a St. Lawrence rail head (which would receive ore from the Quebec Labrador mines) to steel mills in Ohio, Michigan, Indiana and Illinois.

The drive to push the program through congress has been abetted by information that remaining ore in Minnesota's Mesabi range is dropping in quality.

While Gen. Eisenhower hedges about running for president, Detroit's Brig. Gen. Herbert C. Holridge is not so reticent. Recently returned from a 10,000 mile sentiment-sampling trek over the

Frederic News

Mr. and Mrs. Charles Post of Frederic, Mr. McVay and daughter, Grace, of Jackson motored to Standish last Friday. While there they motored to Pimconing where Mrs. Post went to see her sister, Mrs. Lobsenz, who is sick at the Pimconing Rest Home.

Mr. and Mrs. J. C. Post from Cheboygan, Arlene and Dick Cornell from Detroit and Keith Phillips from Frankfort spent the week end at the Charles Post home.

Mr. and Mrs. John W. Payne of Flint are announcing the arrival of a son, Steven John, born November 14, 1951.

Mrs. Nellie Allen returned home with her son, Bennie Allen of Lansing for the hunting season.

Dale Allen, U. S. N., of Bermuda is home on a 15 day furlough and enjoying hunting.

Alva Hunt of Detroit is up to hunt deer and visiting at Charles Cravens.

Al Krueger of Owosso was among the first to get his buck November 15th.

Others who got their bucks November 15th were Douglas Crandell of Pontiac, Gene Harmer, Clem Sajdak, Shirley Corsaut, Walter Krase of Frederic, Leo Olmstead and Herb Black of Hillsdale, Vern Bowen of St. Johns.

Those at the Harry Hortons were Herb Black, Leo Olmstead, George Frisbie, Clifford McKibbin of Hillsdale, L. Holly and grandson, Bob Holly of Mt. Pleasant, Kenneth Ley, Vern Bowen, St. Johns, Scott Nemcomb, George Wheaton, Bloomingdale, Vernon Anderson, Kalamazoo.

Douglas Crandell and friend, Douglas Young of Pontiac visited at the Max Tobins. Douglas Young entered service Monday.

John Rowell, Vic. Young and two other friends of St. Johns visited his mother, Mrs. Harry Horton, Sunday.

Mr. and Mrs. John Harmer of Flint, Mr. and Mrs. Sandy McClellan, Walled Lake were here to hunt.

Arthur Cobb staying at the McGills got his buck and just after getting it hung up, died of a heart attack. He had three sons here with him.

Hunters Ball sponsored by the Senior Class was well attended. Refreshments and cake walk. Proceeds for class.

Open House Well Attended

The open house held at Grayling High School Tuesday evening was very well attended. The parents visited the various class rooms all of which had exhibits.

County Pleas For Blood Donors

The Social Welfare Department of the County of Crawford has issued a plea for blood donors to aid two elderly men who are welfare patients at the Grayling Mercy Hospital. Both have had to have blood transfusions and one still faces a serious operation with the distinct possibility that he will need further transfusions.

VINCENT-KOVACH VOWS SPOKEN

Miss Norene Vincent became the bride of Joseph Kovach Sunday, November 4th at the First Methodist Church of Owosso. The double ring ceremony was performed at two o'clock in the afternoon by Rev. Leonard T. Sanders, before an altar arrangement of Cathedral candles and yellow and white chrysanthemums. Nancy is the daughter of Mr. and Mrs. Floyd Vincent of Owosso, former residents of Grayling. Joseph is the son of the late Mr. and Mrs. J. Kovach of Portage, Pa.

For her wedding Norene chose a waltz length gown of Alencon lace styled with Peter Pan collar and self covered buttons. Deep pointed cuffs trimmed the sleeves. Her contour cap of bridal illusions embroidered in seed pearls held her fingertip veil and she carried a bouquet of Amazon lilies, white bebe mums and stephanotis. She was given in marriage by her brother-in-law Kenneth St. John.

Miss Barbara Vincent, sister of the bride, was maid of honor. She wore an aqua nylon net shirt-waist on a gathered taffeta skirt and gauntlets and halo to match. She carried bronze-yellow and white mums.

Louis Kovach, brother of the groom, was best man. Ushers were Myrlyn and Ferris Vincent brothers of the bride.

Priscilla Lawcock sang "I Love You Truly," "Because" and the "Lords Prayer." Marvin Lyon played the wedding march.

Mrs. Vincent was dressed in navy blue gown.

Red rose buds and white bebe mums.

Mr. Kovach's parents being deceased, his sister Miss Margaret Kovach took his mothers place at the wedding. She wore a Navy taffeta dress with Navy accessories and a corsage the same as Mrs. Vincent's.

Following the ceremony a reception was held at Y. W. C. A., in Owosso, where the decorations were Yellow and White Chrysanthemums. The lace covered table was centered with a wedding cake topped with miniature bride and groom. There were 75 guests present.

After a weeks wedding trip in Northern Michigan, the happy couple will reside in Lansing where the groom is employed. For going away Mrs. Kovach wore a green gabardine suit with black accessories and a corsage from her wedding bouquet.

Norene graduated from Grayling High School in 1949.

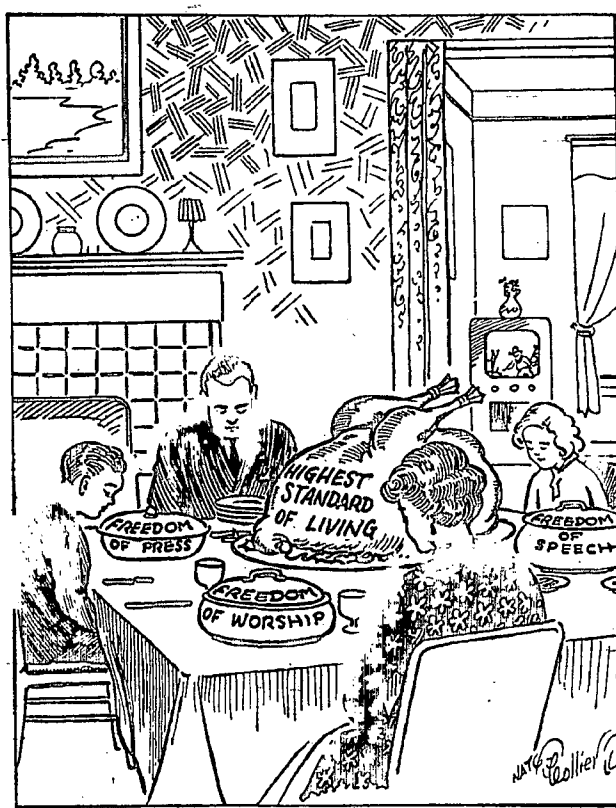

Out of town guests at the wedding were from San Francisco, California, Washington, D. C., Detroit, Lansing, Chesaning, Saginaw, Corunna and Grayling.

Kiwanis Sponsors Blood Bank Queries and Answers

Due to the amount of confusion that exists in our city about the management and operation of our Grayling Mercy Hospital Blood Bank, the Directors of the Kiwanis Club voted to sponsor a question and answer column weekly in hope that many issues might be clarified. Through this program, it is hoped that a continued wholehearted support of the Blood Bank will be present among our citizens and a feeling of joy and gratitude for its existence shall prevail. We have one of the best conducted Blood Banks in the country for a community of our size and it is imperative that it shall remain so. The questions and answers will be submitted by the combined efforts of the physicians on the hospital staff, the laboratory technicians and Sisters of Mercy. When this series is complete, if all problems have not been solved, it is requested that questions be filed with this paper and an attempt will be made to answer them.

Look for Blood Bank questions and answers next week.

FOR THESE WE ARE THANKFUL

Oldest Deer Hunter Stalking Near Grayling

Who will be the oldest licensed deer hunter out in the Nov. 15-30 big game season.

Making a bid for the honor is 91-year-old George W. Ginter of Owosso, the conservation department discloses.

Ginter, who says he has hunted throughout northern deer country, is hunting for the third year in a row with his son Harold, also of Owosso. The Ginters will stalk deer in the Grayling area. Although many younger hunters use glasses, the elder Ginter still has good enough vision to hunt without them.

Should there be other 90-year-old game hunters, they are invited to write to the conservation department.

Christmas Tree Harvest Starting

During the next forty days more than a million Christmas trees will be moving from northern Michigan to the cities for the yuletide season. Mr. C. A. Boyer, Chief of the Bureau of Plant Industry, Michigan Department of Agriculture, warns, however, that every load of Christmas trees and evergreen boughs must be accompanied by a bill of sale carrying the owner's signature and the property description of the land from which the trees and boughs were cut.

The bill of sale form for obtaining the written consent of the owner, can be secured from the Michigan Department of Agriculture at Lansing, or from many of the Conservation Department offices, State Police posts, County Agricultural Agents' offices, and from the County Sheriffs, who are all cooperating with the Department of Agriculture in the enforcement of the Christmas tree act.

The Michigan Department of Agriculture will set up checking stations on the highways throughout the State to inspect vehicles transporting Christmas trees and evergreens.

Plants with roots attached constitutes nursery stock and must be inspected on the premises where growing and a certificate of inspection obtained from a Department inspector before they may be moved. Cut Christmas trees and evergreen boughs are devoid of roots and, therefore, do not constitute nursery stock but must be accompanied by a bill of sale showing the owner's consent to the removal.

Christmas trees and evergreen boughs shipped into the State are inspected and must meet certain quarantine requirements. This is to safeguard Michigan against the invasion of plant disease and insect pests which might be transmitted from another State.

The Christmas tree business is an important industry in Michigan. The bill of sale forms are furnished gratis by the Department of Agriculture so compliance with the act is not difficult.

Local Soldier Promoted To Sergeant

Stanley A. Mathewson, 500 Norway, Grayling, Mich., recently was promoted to the rank of sergeant first class while serving with the 2nd Infantry Division on the Korean fighting front.

American forces in recent action have been probing Communist positions with combat patrols despite heavy rain and the first snow of the beginning Korean winter.

Mathewson, who entered the Army in October 1950, is a member of the 38th "Rock of the Marne" Infantry Regiment.

His wife, Jacquelyne Francis, lives in Grayling.

Mr. and Mrs. Earl Dawson spent Monday in Detroit.

Local Couple Hurt In Auto Accident

Mr. and Mrs. Alva C. (Bob) Annis of 603 Plumb Street, Grayling suffered severe lacerations about the head last Wednesday evening about 9:45 P. M. when their car was forced from old US-27 near Whispering Pines about 9 miles south of Grayling.

The Annis car rolled over after being forced from the road and Annis, 25, received a severe laceration across his forehead. His wife, Hella, 23, also suffered lacerations and cuts about the head.

Neafie Named By Bar Association

Robert F. Neafie, Grayling attorney has been named by the Junior Bar Conference of the American Bar Association as Crawford County Chairman of that group's national effort to bring the facts of defense mobilization to the people.

The Junior Bar Conference offered their services to Charles E. Wilson, Director of Defense and a program of offering four minute speeches to any group outlining the defense mobilization plans, what they will accomplish, how they will operate and other pertinent information.

Any group wishing a speaker to attend their meeting and explain the defense mobilization plan, may contact Mr. Neafie who will in turn arrange a speaker who will be armed with the facts concerning this vital part of our defense effort.

The basic objectives of the manpower program are to help assure timely delivery of required goods and services by locating the work where the needed workers are available; to help assure utilization of the Nation's total manpower-potential by making full use of each area's manpower resources; and to conserve manpower by minimizing the need for migration.

Kiwanis Club Notes

John H. Alef was inducted into the Kiwanis Club of Grayling Monday evening at the regular meeting held at the Lone Pine Inn, as the club's newest member.

Induction was performed by Charles E. Moore and Alef's Kiwanis pin was presented to him by Russell Allen.

Club President Roy Milnes announced that \$283 had been realized for the club's underprivileged fund by the newspaper sale held last Saturday evening. About 100 of the Kiwanis Club's special edition remain and it was decided to attempt to sell the remainder this Saturday night. The initial sale found a group headed by John Peterson turning in \$156 to the club treasury while another selling group headed by Wesley LaGrow handed over \$127.

This money is used to buy warm clothing as Christmas gifts for Grayling underprivileged children and to bolster the club's milk fund which gives each underprivileged child a half pint of milk each school day.

Winter Driving Demands Caution

"Winter is moving in fast, and unless drivers and pedestrians adjust their traffic habits, the usual seasonal upswing in traffic can be expected."

This warning, given by Sheriff William Golnick was based on the traffic accident experience of past November, the month that consistently shows a sharp increase in traffic fatalities over other months of the year.

"Last year over 800 pedestrians met death on Michigan streets and highways because someone failed to adjust his driving or walking to fall winter's deadly tricks," said Sheriff Golnick.

The first snow, Sheriff Golnick pointed out, usually is the most dangerous of the season. Many motorists are caught off guard psychologically and mechanically; forgetting that extra alertness and caution are necessary to meet the additional hazards of winter driving.

"Reduced visibility and slippery roads," Sheriff Golnick said, "are two of winter's traps for thoughtless drivers. The National Safety Council's figures show that the driver's vision was found to have been obstructed in one out of five fatal accidents during an average year. Of these obstructions about two-fifths were rain, snow or sleet on the windshield."

"National Safety Council records also show that wet, muddy, snowy or icy roads figure in one out of five fatal accidents. In one out of seven accidents the weather was rainy, foggy or snowy."

"We can expect the kind of weather responsible for such conditions from now on," Sheriff Golnick warned, "and the wise motorist will protect himself and his fellow citizens by being prepared."

He advised all motorists to check the safety equipment on their cars NOW, emphasizing particularly the following factors: 1. Equalized brakes. 2. Good tires. 3. Tire chains. 4. Bright, well aimed lights. 5. Defrosters. 6. Heater.

"Let's cut the accident rate this month," Sheriff Golnick urged, "by being prepared by driving cautiously, and by having a healthy fear of winter traffic hazards."

Roy Milnes, Jr., expects to leave for his work in the Upper Peninsula Sunday, after spending ten days here hunting and visiting his parents, Mr. and Mrs. Roy Milnes.

Services Held Here For Former Resident

Funeral services were held Sunday in Jackson and a burial service held Monday at 1:00 P. M. at Elmwood Cemetery, Grayling, for Mrs. Wilbur Broadbent, age 80.

Mrs. Broadbent passed away at the home of her daughter, Mrs. Dorothy Brown in Jackson on Friday, November 16. Born Effie May Grovesten in Inkster, Michigan, on April 30, 1871, she became the bride of Wilbur Broadbent on December 23, 1891. The couple had six children. Five survive, Mrs. Lillie Pankow of San Francisco, Calif., Mrs. Iva Huey of Powderly, Texas, Mrs. Ruby Carpenter of Flint, Mrs. Brown of Jackson and a son, Earl of Grayling. A son, Henry, died in infancy. Mr. Broadbent passed away December 26, 1935.

Mrs. Broadbent lived in Grayling from 1924 to 1942 and for the past nine years had made her home with her daughter, Mrs. Brown in Jackson.

Here to attend the service on Monday were Mrs. Leon Huey of Texas, Mrs. Ruby Carpenter, Flint and Mr. and Mrs. Archie Brown, Mr. and Mrs. Calvin Huey and Mrs. Beth Vallencourt of Jackson.

Four Injured In Hunting Mishaps

Thus far in deer season, four deer hunters have received gun shot wounds in hunting accidents in Crawford County or near the county line.

On November 16, three were brought into Grayling Mercy Hospital suffering from gun shot wounds from hunting accidents. They were Bert Walker, 59, of Detroit, wounded in the left leg by a hunting partner, Charles Race in Kalkaska County just over the Crawford County line. Russell Hatfield, 20, of Flint, who shot himself in the hand while hunting in Beaver Creek Township. Kenneth DuRussell, 20, of Munger, shot in the throat by an unknown hunter while hunting in South Branch Township.

On Sunday, November 18, Kenneth A. David, 25, of Saginaw was brought into Mercy Hospital suffering from a gun shot wound in the left leg. The accident occurred in a hunting camp located west of US 27 about one half mile south of the Crawford-Osego county line. The accident occurred when a loaded gun leaned against a support slipped and fell to the ground.

Woman's Club

The Women's Club meeting was held at the home of Mrs. Willard Cornell, Monday evening. About 30 members responded to roll call. Max Davenport, City Manager, spoke on civic government.

On December 3rd a silver tea will be held at Shoppenagons Inn from 3 to 5 P. M., chairmanned by Mrs. Wesley LaGrow. Everyone is cordially invited to attend.

The Federation of Woman's Club in Michigan are sponsoring a drive for a "Girls Town" in Michigan through subscriptions to "Inside Michigan." The proceeds should be turned into Mrs. Lester Welch by the end of this month.

The next meeting will be held on December 17th in charge of the Welfare Committee.

Hunting guests at the home of Mrs. William Weiss were Wm. Eden of Bay City and Mr. and Mrs. Joseph Meyer of Saginaw.

Indies Drop Cadillac, 43-30

Alfred Hanson's Grayling Independents opened their 1951-52 cage season at the Grayling High School Gym Saturday night before a small crowd by defeating the Cadillac Flying Red Horses, 43 to 30.

Cadillac presented a tight, tough zone defense that Grayling at first found hard to cope with. However, Ross Thompson and Ed Smith started to click with long shots from outside of the Red Horses tight defense and Cadillac commenced to move out farther onto the floor to stop the dead-eye long tom shots.

Grayling's first five then started scoring as they found an opportunity to make setup plays work. The starting five, Ross and Sandy Thompson, forwards, Jim Rutledge center and Ed Smith and Ed Chalker, guards all figured in running up the 43 point total.

Tonight, Grayling meets a strong Alpena Independent quintet in Memorial Hall at Alpena. A tough game is expected by the locals, but, they hope to keep their victory pace up.

Home Extension Groups Purchase Resuscitator

Three Grayling Home Extension Groups have purchased a mobile resuscitator for Grayling Mercy Hospital and it has arrived and already been in service at the hospital.

Home Extension Group One through its President, Mrs. Minnie Hartley has turned \$100 over to the hospital towards the purchase price with the other two groups expected to give their share in the very near future.

Two men injured in a fire at Houghton Lake have already been aided by the machine. One a victim of the fire through falling while fighting the blaze was under the machine for a time, the other when entered at the hospital was not breathing, a victim of electric shock while battling the fire. Both men are now either recovered or on their way to recovery, thanks to this machine.

Another machine is owned by the Sorenson Funeral Home and is carried in the ambulance so that it is available for emergencies in the area. With one now available at the hospital, it appears to make a perfect setup for teamwork with the lifesaving equipment.

Duane Worden Named To All-Conference

Duane Worden, Grayling Viking junior halfback was named to the North Central Class C. All Conference football team, it was announced today.

Warren Hatfield, junior, Ted Davenport, junior and Jack Millkin, sophomore of Grayling were given honorable mention as a second team was not named.

Named to complete the first all-conference team were Fred Baumgartner, Bill Bell and At Cambridge of Houghton Lake; Raymon Kwikinski of Lake City; Ernie Richardson and Max Mitchell of Marion; Jim Meyer, Dale Blumenshine, Randall Ebersole, Paul Keith and Richard Reed all from the conference champion Roscommon eleven.

The first team was composed of all seniors except Worden and Richardson of Marion, juniors and Mitchell of Marion, a sophomore.

George Hilton got a buck as did Clair Smith and his brother, Carl of Lansing.

Inspection of forest deer camps will be a more familiar scene this fall with conservation officers and foresters more rigidly enforcing the camp registration law. Registration cards, obtainable from hunting license agents, must be completely filled out and posted at campsite. Campaign is for more tidy deer camps, prevention of forest abuses, and protection against forest fires. Conservation officer George Luhn, shown left, will be one of the inspectors during and after the deer season.

The Michigan State Bar association again is pushing legislation which would "reform" the state's judicial system. They would nominate judges from a list drawn up by a panel consisting of the chief justice of the Michigan supreme court, three attorneys and three laymen; establish a court administrator to keep tabs on work done by judges, and give the supreme court power to fine, disbar or jail judges found guilty of conduct unbecoming a judge, on or off the bench.

Taxes Cost More Than Food!

According to the president of the Grocery Manufacturers of America the American consumer now pays more in taxes than he pays for his food. In 1940 the nation spent \$17,000,000,000 for food and paid \$12,700,000,000 in taxes. Last year by contrast, the food bill was \$52,500,000,000 and the tax was \$57,000,000,000.

This does not take into account the increases in taxes that have occurred during the current year, nor the additional increases which are in prospect.

Here is more proof of the fact that the tax bill is the biggest item of expense the American people face. Some of our taxes we pay direct, in income, property, inheritance and similar levies. Others we pay indirectly, as in the case of excise and so-called "luxury" taxes. Others still are hidden in the cost of every service, and article we buy. All told, taxes now consume close to a third of the national income.

Taxation on this level destroys incentive. It dries up "risk capital"—why should a man take a chance on a venture when he must pay the whole cost if he loses but will gain little or no profit if he succeeds? It makes it abnormally difficult and in many cases impossible for the small business to grow—the money that would be used for expansion goes, instead, to the government. It discourages production and progress.

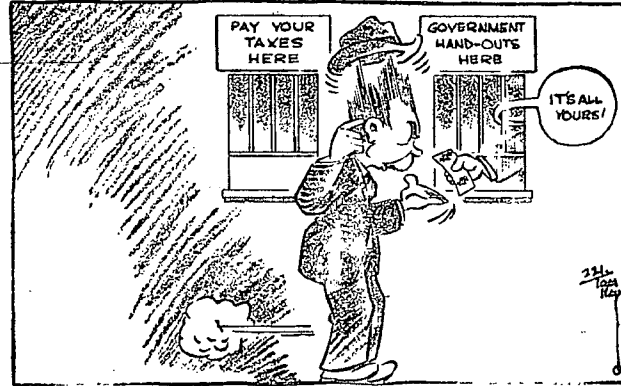

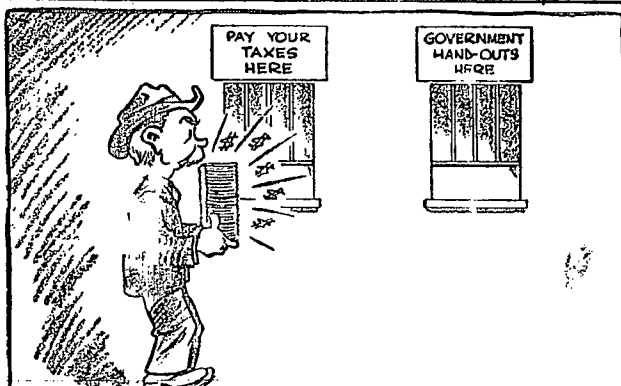

There is but one solution—rigorous economy in nonessential government spending, all the way from the village to Washington. At best, taxation must be heavy. If the present trend continues, it will prove ruinous.

Young Wife: What is this ticket, darling?

Hubby: Only a pawn ticket.

Young Wife: Why didn't you get two, then we could both go?

"Buy Tuberculosis Christmas Seals!"

Beginning November 19, residents of Crawford and Grayling county will receive their 1951 supply of the "seal that saves." Against a green-blue background, the red, chubby face of Santa Claus will be pictured on the tuberculosis Christmas Seals this year.

Marking the 45th annual appeal, the Michigan Tuberculosis Association's work in 1952 will depend on generous response from Grayling area people and others in every corner of the state, according to Theodore J. Werle, association executive secretary. Recounting gains won against tuberculosis, he said "Michigan's tuberculosis death rate has been cut by more than 80 per cent since 1900; that more and more chest X-ray machines, hospital beds and other aids are being provided to find, treat and conquer the disease.

"But the reduced death rate means little to the 1,270 Michigan families who lost a loved one to tuberculosis last year," he declared. "Past progress is small consolation to the nearly 5,000 Michigan men, women and children now in sanatoriums, separated from their homes. Tuberculosis is still spreading in Michigan at the rate of about 450 new TB cases every month. Even more than before, your help is needed."

1951 Ferry Count
To Set New Record

With nearly two months to go
before the end of the year, The
Michigan State Ferries already
have carried more vehicles and
persons across the Straits of Mac-
kinnaw than in any previous year.
Highway Commissioner Charles
M. Ziegler said today. The high-
est previous yearly total was in
the year 1949, when the State
Ferries, a division of the State
Highway Department, carried
65,973 vehicles and 1,587,632 pas-
sengers across the Straits. In 1950
the total vehicles carried between
Mackinaw City and St. Ignace
was 66,412 and just under 1,500,
000 passengers.

The 1951 total reached the 605,
000 mark on November 4, with
the passenger total around 1,575,
000. With deer hunting traffic
still to be counted and all of De-
cember's traffic to be recorded, the
total of vehicles carried by the
State Ferries for the full year 1951
probably will reach the 700,000
mark.

Lovells Home Extension

(Too Late For Last Week)

The group met at the home of
Mrs. Pierson Spaulding on Nov-
ember 8, for an all day meeting.

The Club sponsored a notebook
contest for the Willing Workers,
4-H Club on their summer pro-
jects. Since only three notebooks
were turned in, and all were so
nicely done it was decided to give
each one a prize. Those taking
part were, Marilyn Wade, Barbara
Johnson and Lewis Johnson.

Luncheon was served by the
hostess and her co-hostesses Mrs.
Wm. Spaulding, Mrs. Wm. Koer-
nke and Mrs. John Hoefka. After
the bounteous meal members ex-
changed "Thankful" gifts as some
members are leaving soon for the
winter.

Mrs. P. Spaulding gave some
very interesting reports on the
talks heard at the Homemakers
Conference at Lansing this sum-
mer.

Mrs. H. Johnson gave the lesson
on zipper plackets and bound but-
ton holes.

Mrs. P. Spaulding displayed
some clever spatter-painting cards
and gift paper for Christmas.

The next meeting will be De-
cember 8 at Mrs. Robert Stecklings
for an afternoon meeting.

Senior M. Y. F. News

Sunday, Nov. 18, we had no meeting but we were all invited to the service the Women's Society held at 8:00. The attendance of young people was fairly good. As speaker for the evening we had Reverend Lyle Loomis of Detroit. He gave a very good talk on the topic "The Lord's Bread". As yet I have no report to make on our pancake supper but I hope to have the information about it next week.

These tiny tuberculosis patients are thrilled with the jolly Santa Claus featured on the 1951 tuberculosis Christmas Seals. Michigan tuberculosis experts are concerned over what appears to be a recent increase in the relative number of cases of tuberculosis among children. The authorities urge generous purchases of tuberculosis Christmas Seals this year to fight the deadly disease in 1952.
